Canceled
- (a) means for entering and storing at least one user query and at least one search handle in a wireless device, wherein a particular one of the at least one user query is associated with a respective search handle;
  - (b) means for transmitting the at least one query and at least one search handle to a remote server, wherein said server communicates with the UDDI registry to respond to the at least one user query or the at least one search handle; and
  - (c) means to receive the server response and interactively display the response on the wireless device.
- 

**REMARKS**

Claims 30-50 have been added. Thus, claims 1-50 are pending in the present application. No new matter has been introduced as a result of this amendment. The Applicant looks forward to the prosecution of the application.

The Commissioner is hereby authorized to charge any additional fees which may be required for the timely consideration of this amendment under 37 C.F.R. §§ 1.16 and 1.17, or credit any overpayment to Deposit Account No. 13-4503, Order No. 4208-4008.
